Equipment List:

Tasks

1. Take photos that link to the theme Natural Forms.

Plan the shoot and create a range of photos using your technical knowledge for a good composition.

2. Research a photographer that relates to your theme, at least 1 Word document. Include images of their work and information about how they created their work and why.

3. Experiment with PIXLR, this is the editing software we use at the Sixth Form. See if you can explore the different editing tools, but don't pay to join it, as this is free at Sixth Form!

4. Extension task: go to a gallery or exhibition, take photos, collect postcards! There are lots locally, Norwich and Holt have some great ones!
