**13 May 2025**

**Subject:** Update on Level 2 Pathway at Fakenham Sixth Form

Dear Applicants & Parents/ Carers,

Thank you for your application to join Fakenham Sixth Form in September 2025. We were pleased to meet you during the recent interview process and to learn more about your aspirations for the next stage of your education.

Following a review of applications and interviews, it was clear that the vast majority of applicants for September 2025 will be on our Level 3 pathway studying a combination of A Levels and Level 3 BTEC qualifications. Based on this we have decided we will not be running our Level 2 pathway in the next academic year. This decision has been made because only a very small number of students are likely to be eligible for or interested in the course, making it unviable to deliver effectively.

If you were likely to be on the Level 2 programme, we strongly encourage you to meet with your school careers advisor, who can support you in exploring alternative options and help identify the best next steps for your education and future goals.

Thank you again for your interest in Fakenham Sixth Form. We wish you every success in your GCSE and look forward to seeing you on our Level 3 BTEC and A Level courses in September.

We are here to help guide you during this important transition.

Yours faithfully

Mrs Marshall-Smith

Assistant Headteacher-Head of Sixth Form
