

# ACTIVITY DAYS

**Wednesday 15th—Friday 17th July**

2026

# **INFORMATION FOR PARENTS/CARERS AND STUDENTS**

Activity Days are part of the complete educational package of experiences offered to students at Fakenham Academy. Throughout the 3 days, all normal lessons for Year 7, 8 & 9 students are suspended and an alternative programme of activities is provided.

This period concentrates on giving students the opportunity to take part in something new by sharing their interests, talents and enthusiasm with their peers. It also serves to develop stronger relationships between staff & students.

All students in Year 7, 8 & 9 are required to participate in an activity of their choice. In line with school policy, **holiday is not authorised during Activity Days.**

**Pupil Premium** - will be applied for students who are currently receiving Pupil Premium depending on the their annual allocation. If this applies to you, then please note that for all paid activities you are still required to make **the deposit payment in full** in order to secure a place. The discount applied will be a maximum of £25 of the cost of the activity. This will be allocated after the booking has been made.

**Students who's behaviour have not met the school standards**, at the end of the summer half term will be putting their chances of participating in CEW week in question.

Please see page 9 of the booklet for instructions on how to pay and book your activity.

Your child will receive one of their chosen preferences. They will receive an application form letter with their activity, trip forms to be completed and details of payment information. This letter will be given to students on **Friday 6th February**. As some trips require minimum numbers please be aware some trips might be cancelled so your child will receive one of their preference.
