Introduction to the Allied Health Professions

Tuesday 1st October 2024, 5pm - 6pm, online via Microsoft Teams

Are you aged 14+ and interested in a career in healthcare?

Would you like to find out more about the Allied Health Professions?

There are fifteen Allied Health Professions, making up a third of the NHS clinical workforce:

- Art Therapists
- Diagnostic Radiographers
- Dietitians
- Dramatherapists
- Music Therapists
- Occupational Therapists
- Operating Department Practitioners
- Orthoptists
- Osteopaths
- Paramedics
- Physiotherapists
- Podiatrists
- Prosthetists and Orthotists
- Speech and Language Therapists
- Therapeutic Radiographers

Allied Health careers are so varied that there is something to appeal to everyone - whether you are interested in the sciences, the arts, emergency response, surgery or therapies.

Come and join our online webinar for an introduction to the different professions, information on training and an insight into where an AHP career could lead you.

Teaching London Computing: A RESOURCE HUB from CAS LONDON & CS4FN

Free online course for Y12-13: Unlocking AI & Computer Science 2024

King's College London is hosting a free **online** 8-week programme for female and non-binary students, starting in early October.

Unlocking AI & Computer Science 2024

03 October 2024 17:30 to 05 December 2024 18:45

<https://www.kcl.ac.uk/events/unlocking-ai-computer-science-2024>

For more information, please contact: nmes-outreach@kcl.ac.uk

Applications will close at 23:59 on Sunday 29 September 2024.

Unlocking AI & Computer Science is an **online only programme**, running Thursdays from 17:30-18:45. Sessions are on:

- 3, 10, 17, 24 October
- 14, 21, 28 November, 5 December.

"We are excited to welcome female and non-binary students to join us in Unlocking AI & Computer Science!"

Through this eight-week **online** programme, you'll meet other people interested in computer science and discover cutting-edge research in AI and tech, from Natural Language Processing – the backbone of tools like ChatGPT – to Human Computer Interaction, which studies communication between people and machines.

Computer science is a predominantly male field – what's it like to be a woman in this area? Hear first-hand from researchers and students and think about where computer science can take you.

If computer science might be in your future, [apply now!](#)

Apprenticeship Opportunity

Level 3 Diploma in Business and Administration

A previous student has been successful with this appoint has achieved a distinction in her final assessment!

The company have decided that we would like to offer another opportunity to a young person locally who may not necessarily want to progress with further education and are inviting applicants from aged 16 years with a level 2 or higher GCSE results, to apply for this opportunity and become our young apprentice.

I have provided the link below with details to the advert for anyone you may feel would benefit from the opportunity, or we invite applicants to send their CV to jobs@dalygroup.co.uk.

[Apprentice Customer Service Practitioner – Find an apprenticeship – GOV.UK \(findapprenticeship.service.gov.uk\)](https://findapprenticeship.service.gov.uk)

Please feel free to contact if you have any further queries.

Thank you for your assistance.

Claire Arnold
