

## Careers Information Advice and Guidance

At Fakenham Academy we are fortunate to have a specialist Careers Advisor supplied by our Trust Sapientia. The Career's Advisor is responsible for providing up to date information advice and guidance about careers, Labour Markets and Further Education (FE) for all students. All Yr13 and Yr11 students have 1-2-1 careers interviews. The Careers Advisor is highly qualified in careers education, bringing years of business and networking experience with her to benefit students, staff and parents/carers.

Fakenham Academy is continuously developing its Careers Programme to further embed the school's values of 'kindness, ambition and determination' across the curriculum. Contextualising these values in a careers framework linking learning with the world of work drives students' motivation for learning, whilst building their social and cultural capital.

The Careers Programme works closely with partners and stakeholders in different sectors to expertly inform our students, make them self-aware and prepare them for the choices they will encounter throughout life. As part of the Fakenham Academy Careers Programme a number of events are coordinated throughout the year as well as ongoing advice in lessons to students about careers and routes into employment. These include, but are not limited to:

- Careers Fair - if you would like to represent your business at an event please contact Mr Gray, Careers Leader; Email – [s.gray@fakenhamacademy.org](mailto:s.gray@fakenhamacademy.org)
- Guided Choices evening in Year 9
- Career interviews with all students Yr13 & Yr11
- Visits to a variety of business, public sector, third sector and education settings.
- Visits from and interaction with, a variety of representatives and experts from the world of work, apprenticeships and education providers
- Mock interviews
- Careers Week- Information and awareness of careers through our tutor time programme
