Christmas Reward Party

Dear Parent/Carer,

At Fakenham Academy we hold our students to high standards of behaviour, attendance and academic progress. For those students who meet these high standards we reward suitability and this year we are hosting a reward party for those in Years 7 through to Year 10.

Last week we informed students that in order to be invited to the reward party they would need to achieve 96% attendance, 90% conduct mark (behaviour) and overall good attitude to learning grades within the next 4 week period. This allows every student an opportunity to achieve an invitation. We will ensure that considerations will be made depending on individual circumstances.

The Year 7 and 8 Snowball disco will take place on Wednesday 17th December at Fakenham Academy between 5:30pm-7:30pm. This party has been named the "Snowball" due to its Christmas theme. There will be music, live performances and games. Furthermore, our Sixth Form will be running a tuck shop, stocked with a number of confectionery items for sale. We encourage those in attendance to bring cash, preferably in small denominations.

This is an informal event, so we would expect your child to be dressed in Christmas attire. Should you feel happy to allow your child to attend the party, we ask that transport arrangements be made for their safe return home. We will not allow students to leave our premises before 7:30pm unless a parent/carers is there to collect them.

Our Year 9 and 10 students will have their Christmas Reward Party during school hours on Monday 15th December. There will be music, games as well as complimentary drinks and snacks.

Year 11 students will be having a celebration event in school organised by their Progress Leader.

Yours sincerely

S Gray
