Headteacher: Mr G Green

October 2025

Dear Parents and Carers,

Year 8 Parents Evening - Thursday 16 October from 4.30pm until 7.00pm

We are holding our Year 8 Parents Evening on Thursday 16 October 2025 from 4.30pm until 7.00pm in our school hall and gym, and I wanted to take a moment to emphasise the importance of parent-teacher evenings and encourage you to attend them. These evenings provide an opportunity for you to meet with your child's teachers and discuss their academic progress, as well as any concerns you may have.

We understand that it can be difficult to attend these evenings, particularly if you have busy schedules or multiple children to consider. However, we believe that the benefits of attending far outweigh any inconvenience. By attending these evenings, you will gain valuable insights into your child's academic strengths and weaknesses, which can help you to better support them at home.

Furthermore, we want to inform you that appointments will be made by you online but the evening itself is in person. Instructions will be emailed to you one week before the event. We encourage you to discuss these appointments with your child and to support them in attending these meetings. We also encourage you to bring your child to the parents evening so that they can be part of the discussion in each subject.

As always, please do not hesitate to contact us if you have any questions or concerns. We are here to support you and your child in any way we can.

Thank you for your continued support.

Yours sincerely

M Cumming
