

We have partnered with Norfolk County Council's TITAN (Travel Independence Training across Norfolk) team and are currently delivering the Ready to Go! Travel Training Programme to our students. TITAN offers young people with special educational needs and disabilities (SEND) support to help them to become confident independent travellers. The Ready to Go! Programme is a flexible framework for students from Year 7 onwards and teaches six core modules:

- Pedestrian Skills
- Communication Skills
- Personal Health, Safety and Wellbeing
- Problem-Solving Skills
- Journey Planning Skills
- Journey Practice Skills

The skills that the TITAN training provides have a holistic, positive impact across the whole of the young person's life. Once completed, TITAN can support our students to transition to independently travelling to and from school or college, where appropriate.
